UNIVERSITY OF PORTSMOUTH STUDENTS’ UNION (UPSU)

CODE OF PRACTICE 2017/2018

BACKGROUND

This Code of Practice responds to the requirements stated in the Education Act 1994, Part II, Section 22, and shows the respective operating responsibilities of both the University of Portsmouth ("UoP") and the University of Portsmouth of Students’ Union ("UPSU") in meeting the requirements of the Act as outlined in Section 22.

REVISION

This Code supersedes the original April 1995 Code of UPSU as then constituted and all subsequent revisions. Revision of this Code of Practice shall be the responsibility of the Board of Governors (via the Clerk to the Board), and the Code will be reviewed annually to determine if any changes are necessary.
INTRODUCTION

UPSU is a company limited by guarantee (company number 3934555) and was incorporated on 28 February 2000 under the Companies Acts 1985-1989. UPSU was formerly an unincorporated association, until UoP and UPSU considered that it would be advisable for UPSU to have a distinct legal status.

UPSU is also a registered charity: it was registered with the Charities Commission in June 2010 (charity number 1136115).

UPSU is responsible for ensuring that funds provided to it by UoP are used only in accordance with the Education Act 1994, this Code of Practice and any other statutory requirement that may from time to time be enacted.

The Trustees of UPSU are jointly responsible for overseeing all UPSU’s activities and for ensuring that UPSU at all times complies with those arrangements on its activities by virtue of its constitutional documents (i.e. the UPSU Memorandum and Articles of Association and set of byelaws, and the revised Financial Memorandum between UPSU and UoP, as approved by the Finance Committee of the University’s Board of Governors, at its meeting held 20 September 2016 (Min 11 refers)). This Code of Practice, the laws of England and Wales and such financial practices and procedures arising from its status as a company limited by guarantee and as a registered charity. The Trustees shall take appropriate advice to ensure that any action or policy under consideration by UPSU is compatible with the terms of this Code of Practice.

Whilst recognising its operational independence, UoP enjoys excellent relations with its Students’ Union. These relations contribute substantially to the academic and general experience of students while at UoP. For this reason, UoP invests a considerable amount of time in consulting with UPSU and its members, and building students’ views and participation into as many facets of its life as possible. UoP provides a block grant to UPSU annually to fund services that UPSU provides to the students of the University of Portsmouth. The block grant provided by UoP to UPSU is recorded within UPSU’s Financial Statements.

22 (2) (C) A student should have the right—

(i) not to be a member of UPSU, or

All and any students enrolled with UoP are accorded membership of UPSU automatically: their campus card (issued by UoP) is proof of their eligibility. The University passes on personal data and contact details of all students to UPSU. Should a student wish to opt out of membership, they would need to send separate written notice (by writing or in e-mail) to the President of UPSU and the University Data Protection Officer. A student who has exercised the right to opt out of membership with UPSU will then remain a non-member of UPSU for the remainder of the academic year. If a student wishes to opt out in subsequent years, they will need to write again to the President of UPSU.

This information is made available to all students through their registration form which includes a web link to the annually published Code of Practice between UoP and UPSU, and each student is asked to sign to say that they are aware of their rights concerning membership of the Students' Union.

**Appointment to major Union Offices.** UPSU has defined all sabbatical positions as major offices and election is by secret ballot in which all members of UPSU are entitled to vote. The election procedures are covered in the Memorandum and Articles of Association and byelaws which require that the Returning Officer is independent of UPSU and is appointed annually by the Trustees of UPSU.

Elections for Sabbatical Officers are held annually. The Deputy Returning Officer speaks to all candidates ahead of the elections to reinforce the importance of fair and free elections to be conducted in line with UPSU’s stated practices. In addition, the Clerk to the Board of Governors consults with the Returning Officer and the Deputy Returning Officer, and prepares a report of the conduct of the process for the Board of Governors.

**Sabbatical Union Office.** UPSU stipulates in its Regulations that no person shall hold a Sabbatical Office for more than two years in total. The Clerk to the Board of Governors holds a record of appointments to evidence compliance to this requirement (ref: 09/sabbatical teams).

UPSU makes every effort to have these statements available for the November meeting of UoP Finance Committee. A student may obtain a copy of these accounts from UPSU’s offices. ### 22 (2) (I)
The procedure for allocating resources to groups or clubs should be fair and should be set down in writing and freely accessible to all students.

### Allocation of resources to clubs and societies.
The constitutional documents require that the procedure for allocation of resources to student led activities is published annually and made freely available to all enrolled students.

The fair procedure for allocating resources to groups or clubs has been made accessible to all students over the past 12 years within relevant and appropriate media of the day. The student group fund allocation process was reviewed in 2016 and the new model is being implemented from the commencement of the 2017/18 budget.

### 22 (2) (J)
If UPSU decides to affiliate to an external organisation, it should publish notice of its decision stating:

(i) the name of the organisation, and  
(ii) details of any subscription or similar fee paid or proposed to be paid, and of any donation made or proposed to be made, to the organisation, and any such notice should be made available to the governing body and to all students.

### External organisations.
The Trustees of UPSU shall maintain a register of external organisations to which it is affiliated which will show the name, membership and subscription fee or donation. Amendments to this register may be made by a resolution from members via a referendum and/or General Meeting. The Trustees shall in the event of an amendment promptly publish that amendment via UPSU’s Media and advise the Board of Governors of UoP.

The register of affiliations shall be submitted to the Annual General Meeting for approval following which a copy of the register shall be forwarded to the Board of Governors of UoP and made available to all enrolled students.

A motion to discontinue affiliation from an organisation on the register shall be considered by an Extraordinary General Meeting and be resolved by a cross campus ballot. Such a request may only be made once in any academic year in respect of each affiliation.

### 22 (2) (K)
Where UPSU is affiliated to any external organisations, a report should be published annually or more frequently containing:

(i) a list of the external organisations to which UPSU is currently affiliated, and  
(ii) details of subscriptions or similar fees paid, or donations made, to such organisations in the past year (or since the last report), and such reports should be made available to the governing body and to all students.

UPSU records its affiliations to external organisations within its Financial Statements and decisions would be taken through the usual mechanisms of the UPSU’s committee structure, quarterly reported to the University’s Finance Department. Although there may have been structural changes in UPSU over the years, the principles of operation have remained the same.
22 (2) (L)
There should be procedures for the review of affiliations to external organisations under which;

(i) the current list of affiliations is submitted for approval by members annually or more frequently, and
(ii) at such intervals of not more than a year as the governing body may determine, a requisition may be made by such proportion of members (not exceeding 5 per cent.) as the governing body may determine, that the question of continued affiliation to any particular organisation be decided upon by a secret ballot in which all members are entitled to vote;

22 (2) (M)
There should be a complaints procedure available to all students or groups of students who;

(i) are dissatisfied in their dealings with UPSU, or
(ii) claim to be unfairly disadvantaged by reason of their having exercised the right referred to in paragraph (c) (i) or (ii) above, which should include provision for an independent person appointed by the governing body to investigate and report on complaints.

Complaints procedures. UPSU has a complaints procedure which is available to all students or groups of students who are dissatisfied in their dealings with UPSU or who claim to be unfairly disadvantaged by reason of their having chosen not to become members of UPSU. A copy of the complaints procedures can be obtained from: [https://www.upsu.net/students/docs](https://www.upsu.net/students/docs)

UoP also has a complaints procedure. A copy of the complaints procedures can be obtained from UPSU or from the University webpages at: [http://policies.docstore.port.ac.uk/policy-047.pdf](http://policies.docstore.port.ac.uk/policy-047.pdf)

The Office of the Independent Adjudicator (OIA) for Higher Education is the final stage in UoP’s Complaints procedure. (Min 82.7 of the Board held 23 June 2004 refers).
